FABRIX CUSTOM UPHOLSTERY PROGRAM.....25-32

We promise to continue to be innovative, fashion and design conscious with all of the products that we bring to market. Top grain leather, state-of-the-art mechanisms, plush upholstery and detail stitching are just some of the unique features that you will discover in our 2006-2007 seating assortment. With a full time design staff and continuous product development we have and will continue to stay with the ever-changing styles and demands of the office furniture industry.

We promise to be experts of our industry. Through ergonomic studies and the knowledge from 25 years in the industry we will continue manufacturing commercial grade office seating that meets or exceeds customer expectations as well as high industry standards.

We promise "excellence in execution". With a full team of upholsterers dedicated to the new and improved Fabrix custom order and C.O.M. programs, a 24 hour order fulfillment and multiple shipping distribution points, the Eurotech program is designed to fit any need and any time sensitive situation.
