# TERMS AND CONDITIONS

Effective: October 1, 2007

## Prices:

Prices are manufacturer's suggested retail list prices and are subject to change without notice. Orders will be invoiced subject to prices prevailing at time of shipment. Please refer to discount schedule for F.O.B. points. Quotes and invoices are subject to correction for any omission or error. All taxes are extra. If purchaser claims an exemption from such taxes, it will be the purchaser's responsibility to provide Nightingale Corp. with the necessary exemption certificate.

Notwithstanding anything to the contrary in any purchase order, the terms and conditions of sale contained in this price list will prevail. Nightingale Corp. is not required to accept any requested change to an acknowledged order. In the event of an approved change, Nightingale Corp. will charge the customer for all expenses incurred by Nightingale Corp. in effecting said change.

## Terms:

30 days from date of invoice on standard discount. In event of delinquency, customer shall be liable for all reasonable collection costs incurred. Any products sold shall remain the property of Nightingale Corp. until fully paid.

## Orders: All telephone or fax orders are final.

Customer assumes responsibility for correct information and is required to check acknowledgements carefully for accuracy. Custom finishes are available in metal and wood subject to a sample approved by Nightingale Corp.

**Certain options and special requests may require additional lead time.**

### Orders must state clearly:

- model number and quantity
- fabric name and color number
- frame finish and/or color number
- options if applicable

When ordering a chair with options, please indicate options required by adding the suffix to the model number and add the appropriate option upcharge to the list price.

### Example of Options

#### 6200-FR-TC

→	Soft Tile Casters 2"	\$ 50.00
→	California Fire Code #133	\$ 100.00
→	Model Number 6200D	\$ 1865.00
	<b>Total List Price</b>	<b>\$ 2015.00</b>

## Cancellations:

All orders are deemed final and are not subject to cancellation without Nightingale Corp.'s consent. Nightingale Corp. reserves the right to charge the customer for that portion of the order that has been completed to the date of approved termination. Orders calling for deviation from our standard construction or finish are not subject to cancellation.

## Returns:

No merchandise may be returned without Nightingale Corp.'s prior written consent. **All authorized returns are subject to a 35% restocking charge.** An additional charge may also apply to reinstate merchandise into "new" condition if returned damaged.

All returned shipments must be "prepaid" freight.

## Customer Care: 1-800-363-8954

For general information, replacement parts and special requests, please contact customer care.

## Replacement Parts:

Please contact Customer Care.

## Shipping:

Unless complete instructions as to carrier and route are specified by the customer, Nightingale Corp. has the right to choose the method of shipping.

Every effort is made to ensure sound and secure packaging, however Nightingale Corp. liability ends when carrier issues a clear receipt to Nightingale Corp. that they received the product in good condition.

Should the shipment arrive damaged or incomplete, have the carrier make a notation on the delivery receipt and original freight bill prior to accepting shipment. This will help protect your right to claim damages against the carrier.

All shipping weights shown are approximate.

**Note:** Shipments made by common carrier are often referred to as LTL (Less than Trailer Load) shipments.

## DELIVERED PROGRAM

**Please note** that all models are priced at delivered pricing (1+ Carton, Dock to Dock only) as noted

**Please note** for those models that are **NOT** noted, the order quantity will be 6+ cartons minimum (can be a combination of any models listed herein, Dock to Dock only).

**Please note** that if applicable, each chair model in this price list INDICATES the volume per chair for both fully assembled and KD (Knocked Down). (ie.)

4800 D - Fully Assembled - Vol=19 cu. ft.

4800 D - KD (Knocked Down) - Vol=11 cu. ft.

## California Fire Code #117

California Technical Bulletin 117 is a flaming and smoldering fire performance test for filling and/or cushioning and upholstery cover fabrics. A foam or fabric that meets the requirements of CA TB 117 is said to be fire resistant.

## California Fire Code #133

California Technical Bulletin 133 is a full scale fire performance test of a complete article of furniture. It requires that a complete seating furniture product be exposed to a large open flame for 90 seconds in a specially designed test room. Heat generated and the rate at which it is generated, smoke opacity, carbon monoxide generation and weight loss are the test parameters that determine whether an article of upholstered furniture passes this test. CA TB 133 is recognized as a "state-of-the-art" fire performance standard for upholstered furniture entering high risk designations.

## Customer's Own Material:

**Note:** All pricing for C.O.M. product is based on grade 1 pricing.

Fabric must be shipped to the factory prepaid. All yardage indicated in this book is approximate, based on 54" non directional, no patterned goods. Additional yardage may be required for directional, patterned and lesser width materials.

Materials will be applied in what Nightingale Corp. feels is appropriate **unless instructed otherwise.**

Nightingale Corp. reserves the right to reject any material as unsuitable.

In accepting C.O.M. fabric, Nightingale Corp. assumes no responsibility for fabric wear, defects or appropriateness and is applied at customers own risk.

When supplying C.O.M. material, the shipment must be clearly tagged with customer's order number, description of product, quantity of fabric and any special instructions.

Nightingale Corp. will not accept C.O.M. material that is sent freight collect. Any brokerage fees paid by Nightingale Corp. on C.O.M. material will be charged back to the customer accordingly.

## Leather:

Genuine leather is available on selected models as indicated. For special requests please contact

customer service.

## Lifetime Limited Warranty

Under the Nightingale Corp. warranty, all claims must be made within the time period specified.

Nightingale Corp. offers a Lifetime Limited Warranty, unless otherwise specified, from the date of purchase by original purchaser, on all non-moving metal components. Nightingale Corp. also warrants that self-skinned urethane parts, plastic shells, casters, wood parts and mechanisms will carry a (5) five year warranty. Upholsteries will carry a (2) two year warranty. Pneumatic cylinders will carry a (10) ten year warranty.

The Nightingale Corp. warranty is based on normal use of eight (8) hours a day, five (5) days per week by individuals of 250 lbs. or less.

Nightingale Corp. reserves the exclusive and sole right to repair, correct or replace at our option, any Nightingale Corp. seating product which upon our inspection is declared defective in material or workmanship.

The Limited Lifetime Warranty does not apply to Nightingale Corp. products that are used for rental purposes and is effective only for products, parts or components manufactured after January 1, 1999.

The Lifetime Limited Warranty applies only to customers in Canada and the United States.

The Nightingale Corp. warranty does not apply to damage caused by accident, abuse, negligence, abnormal use or use with extreme climatic conditions. Normal climatic condition is defined as the temperature and moisture content range for human comfort and health. Due to the inherent nature of certain material used, all furniture containing wood, fabric or leather is subject to minor variations or irregularities of color, grain and texture. Compliance with applicable laws, regular codes, certificates and manufacturing standards are disclaimed if this product is misused, improperly installed or modified in any respect (including without limitation, any change in fabric or mechanical components affecting stability, load capacity or load distribution) after shipment from the manufacturer.

The Nightingale Corp. warranty does not cover the cost of transportation or labor except as noted. There are no other warranties except as noted. There are no other warranties except as expressed or implied, including any warranty of merchantability or fitness for particular purpose.

Warranty Exception — 247-24 Hour Chair, HD6800 OVERTIME

Under this specific warranty, urethane parts, plastic shells, casters, wood parts, pneumatic cylinders and mechanisms will carry a five (5) year Limited Warranty. Foam and fabric will carry a one (1) year Limited Warranty. This warranty is based on normal use by individuals of 350 lbs or less for the HD6800 OVERTIME chair series. All other General Warranty conditions as stated above apply.

Warranty Exception — XL, 9SR, 208, 950 - 1 year warranty on these series.

## Specifications:

Nightingale Corp. reserves the right to institute changes with regard to materials, equipment, specifications or design, as well as to discontinue models and/or fabrics at any time without prior notice.

## Design/Trademarks:

Many of the products produced by Nightingale Corp. are protected by Design Registration, Trademarks and Patents.

## Qualifications:

Most Nightingale Corp. seating products meet or exceed industry standards such as ANSI / BIFMA (American National Institute/Business Institutional Furniture Manufacturers Association).

### Standard Features: 247 Series

- Swivel-tilt mechanism (Type 28), infinite position tilt lock complete with seat sliding mechanism (locks in 6 positions over 2½" of travel), passive back movement pneumatic height adjustment, tension control.
- Passive seat movement.
- High density, high resiliency back and molded seat foam.
- Ratchet headrest (247-HR).
- Waterfall seat design to reduce muscle fatigue.
- Built-in lumbar back support
- Width and height adjustable arms with polyurethane tear drop arm pad.
- 5 prong heavy duty steel base with plastic caps.
- 2" dual wheel carpet casters.
- California Fire Code #117.
- Finish-mechanism, arms, base casters and trim standard in black.
- ANSI/BIFMA.

### Standard Features: OVERTIME

- Swivel-tilt mechanism (Type 17A) with infinite position swivel tilt lock, free float or variable back angle adjustment, pneumatic seat height, back height adjustment and tension control.
- Built-in lumbar support.
- Heavy duty back post for durability.
- Seat and back are made from high density, high resiliency foam for comfort and durability.
- Waterfall seat design to reduce muscle fatigue and improve circulation.
- Heavy duty height and width adjustable arms for comfort and durability.
- Outside back and seat shell are made of polypropylene plastic for durability.
- 5 prong cast aluminum base finished with black epoxy powder coat paint.
- 2" dual wheel carpet casters.
- All exposed metal components finished in black, epoxy powder coat paint for durability and appearance.

### General Information:

- Upholstery  
247: 2½ yds/chair  
HD6800: 3/4 yd / chair

- Swivel tilt mechanism, (4800D, 4800) (Type 8) Pneumatic height adjustment, tension control.
- Softly padded seat and back.
- Pillow Upholstery.
- Steel sled base (4802) available in black *Crinkle* epoxy powder coat only.
- One piece seat and back shell for durability.
- 5 prong heavy duty nylon base.
- 2" dual wheel carpet casters.
- Finish - mechanism, base, casters and trim standard in black.
- California fire code #117
- ANS/BIFMA.

*The REWARD series is an affordably priced executive chair series combining ergonomic comfort & support with a plush appearance.*

### General Information:

- Upholstery  
All models 3¾ yds/chair

**Note:** A pillow upholstery technique is used with leather or leather plus to provide a wrinkled, plush appearance. When fabric is specified an extra level of foam is added, which is then upholstered in the conventional manner to provide a soft, elegant appearance.

Drafting Stool

W. 24" D. 24" - 26" H. 40" - 50" **Seat Ht.** 24" - 34"

Wt. 48 lbs. **Vol.** 12.5 cu. ft. **KD Vol.** 9.6 cu. Ft.

**FOOTRING ADJUSTMENT:**

In applications where a drafting stool is required, an adjustable footring allows the user to adjust the leg height for customized support, reducing pressure on the thighs and increasing sitting comfort.

**Standard Features: BRADLEY**

- Swivel-tilt mechanism (Type 23) (6800D, 6800, 6850) seat depth adjustment, pneumatic height adjustment, tension control
- Swivel mechanism (6805DS) (Type 23) pneumatic height adjustment, seat depth adjustment
- Waterfall seat design to reduce muscle fatigue.
- High density foam for support and durability.
- Plastic outer seat and back shell for durability.
- Fixed height arms with polyurethane tear drop arm pad.
- California fire code #117
- 5 prong heavy duty nylon base.
- 2" dual wheel carpet casters.
- Finish-mechanism, base, casters and trim standard in black.
- ANSI/BIFMA

The 6800 Bradley chair series was designed to meet the rigorous demands of the institutional and educational environments.

**General Information:**

- Upholstery ¾ yds/chair All Models.

**Note:** If arms are to be added to an armless chair, please refer to p.50 for specifications & pricing details.

# MECHANISM USER GUIDE

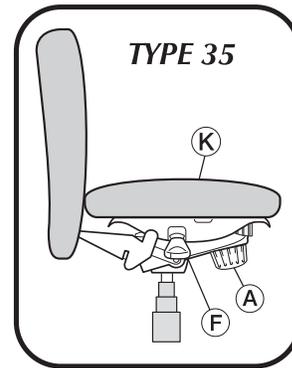

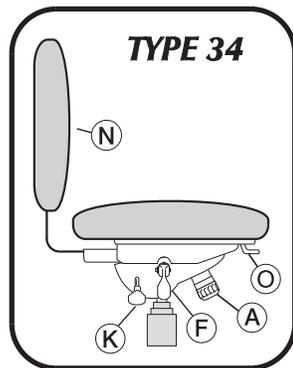

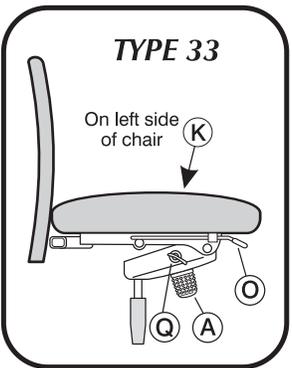

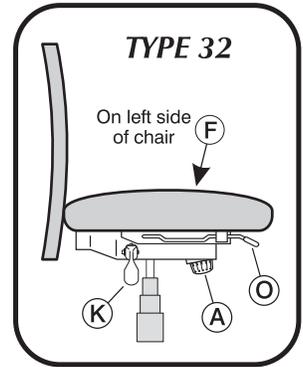

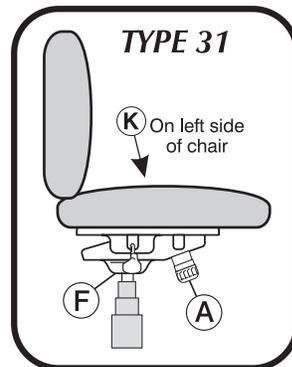

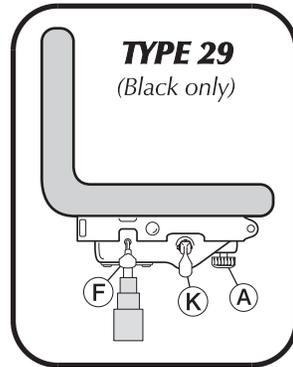

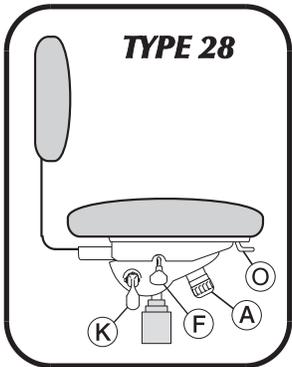

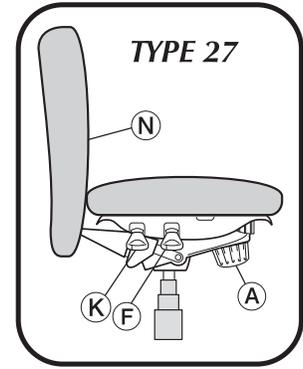

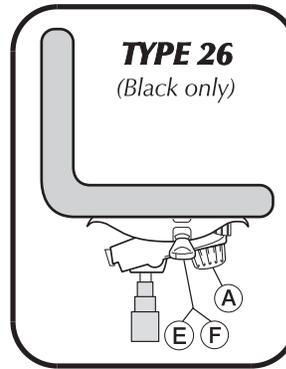

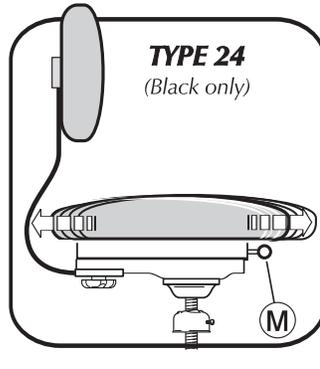

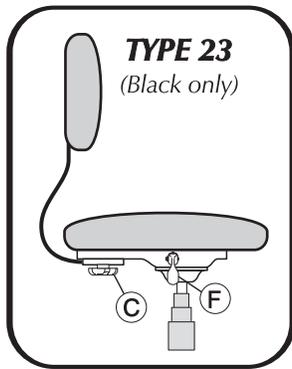

The above mechanisms are only available to the series as indicated and are not always exactly as illustrated.

Note: Included on every adjustable Nightingale Corp. chair (except 5800, 6700 and 6800 series) is a pocket reference guide attached to the underside of each chair seat containing adjustment and maintenance instructions.

# MECHANISM USER GUIDE

**(A) Tension Knob**

Turn clockwise to increase tension, turn counter-clockwise to decrease tension

**(B) Manual Height Adjustment**

Hold onto bell and turn chair clockwise to lower; counter-clockwise to raise.

**(C) Seat Depth Adjustment**

Loosen hand wheel (do not remove) and slide back to desired position, then re-tighten hand wheel.

**(D) Back Angle Adjustment**

While seated, pull paddle up, when desired angle is achieved push paddle down to lock.

**(E) Tilt Lock**

To lock chair in position, push knob in, to allow free movement, pull knob out.

**(F) Pneumatic Height Adjustment**

To lower, lift paddle while seated. To raise, lift paddle with your weight off seat.

**(G) Forward Tilt**

Lean back in chair and roll or pull lever back for forward tilt, push or roll lever forward for straight position.

**(H) Back Height Adjustment**

Turn knob counter-clockwise to loosen, lift or lower chair back to desired position and re-tighten.

**(I) Infinite Seat Angle Adjustment with 6° Forward Tilt**

To change seat angle, pull paddle up while seated, push paddle down to lock when desired angle is achieved.

**(K) Infinite Position Tilt Lock**

To lock chair in position, push paddle down, to allow free movement, pull paddle up.

**(L) Single Position Tilt Lock**

Push lever into lock chair in forward position, pull lever out to unlock.

**(M) Seat Slider**

While seated, pull knob out, push seat to desired depth and release knob to lock. Locks in 6 positions over 3 inches.

**(N) Ratchet back Height Adjustment**

Simply lift back to desired position and back locks automatically.

**(O) Seat Slider**

Pull lever bar up to unlock, move seat to desired position, release lever to lock into position.

**(Q) Pneumatic Height Adjustment**

To lower, turn lever. To raise, turn lever with your weight off seat.

The above mechanisms are only available to the series as indicated and are not always exactly as illustrated.

Note: Included on every adjustable Nightingale Corp. chair (except 5800, 6700 and 6800 series) is a pocket reference guide attached to the underside of each chair seat containing adjustment and maintenance instructions.

# TEXTILE COLLECTION

## Stocking Fabric Program

The Nightingale Textile Collection provides attractive, versatile upholstery solutions for all seating environments. Our fabric program has been carefully developed and tested to meet the highest requirements. Nightingale offers a large range of colors, patterns and textured weaves to satisfy every interior concept.

FABRIC GRADES	Grade 1	Grade 2	Grade 3	Grade 4	Grade 5	Leather/Vinyl
	Crystal	Barlow	Cashmere	Era	Logic	Bravo (Vinyl)
	Epic	Dreamland	(Vinyl)	Prodigy	Sublime	Lustre (Vinyl)
	Foundation	Internal		Leather-Plus (ii)	(Vinyl)	
	Insight	Irresistable		176 - Black	Tek	<i>Available on selected products. Contact Customer Service for details.</i>
	Mirage	Martini		375 - Ginger	Verbatim	
	Vynylon (i)	Nirvana		395 - Evergreen		
		Pivot		400 - Marine		
				425 - Honey		
				450 - Bone		
				475 - Burgundy		

(i) this is a reinforced, upholstery quality vinyl.  
 (ii) this is a combination of quality leather and simulated vinyl.  
 \*Sample cards for this healthcare designer vinyl available upon request.

*Due to variances in fabric dye lots and offset printing, Nightingale Corp. does not guarantee that the colors shown in the catalogue or on sample fabric cards will be a perfect match to the actual colors.*

## Non-Stocking Fabric Program

In order to provide our customers with a greater selection of fabrics and colors, Nightingale Corp. offers a wide variety upholstery fabrics to our textile collection. These fabrics are only available in fabric grades as indicated below. Nightingale's standard delivery times are subject to availability of these **non-stocked fabrics**.

FABRIC GRADES	Grade 2	Grade 3	Grade 4	Grade 5
	Coral	Milestone	Infinity	Meridian
	Wicker	Moguls	Messenger	Comet
		Collage	Ladders	
		Ladders	Medium	
			Digs	
			Suburb	

*Pease contact Nightingale Customer Service for extended delivery times for Maharam, Momentum and Interface fabrics. Additional Maharam, Momentum and Interface fabrics not shown are available. Please contact Nightingale customer service for pricing and availability.*

# ARM OPTIONS

The following arm options are only available to the series as indicated and are not always exactly as illustrated.

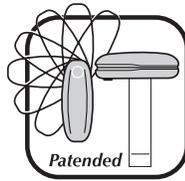

## FIXED HEIGHT ARMS

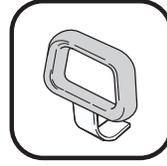

**Type UR**  
Polyurethane tear drop arm pad.  
List Price: 80.00  
Series: 2600, 3600.

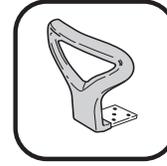

**Type P**  
Polyurethane elongated arm pad (Black only).  
List Price: 80.00  
Series: 2600.

**Type Y**  
Polyurethane swing arm pad (Black only).  
List Price: 223.00  
Series: 3250, 3600.

**Type LP**  
Polyurethane loop arm, steel reinforced (Black only).  
List Price: 125.00  
Series: 2600, 3200, 3600.

**Type L**  
Polyurethane loop arm.  
List Price: 178.00  
Series: 1860.

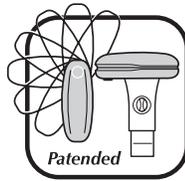

## HEIGHT ADJUSTABLE ARMS

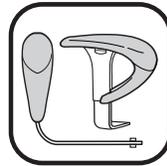

**Type A**  
Polyurethane tear drop arm pad.  
List Price: 118.00  
Series: 1860, 2600, 3600, 6700, 6800.

**Type AP**  
Polyurethane elongated arm pad (Black only).  
List Price: 118.00  
Series: 1860, 2600, 3600, 3900, 6700, 6800.

**Type YA**  
Polyurethane swing arm pad (Black only).  
List Price: 245.00  
Series: 1860, 3200, 3600, 6700, 6800.

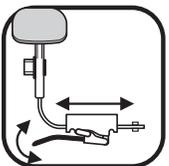

**Type ASL**  
Height adjustable arm with polyurethane semi-loop arm pad.  
List Price: 170.00  
Series: 1860, 3200, 3600, 4400, 6700, 6800.

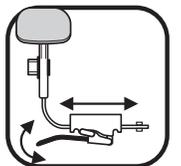

**Type AL**  
Height Adjustable Loop Arm. Polyurethane steel reinforced (Black only).  
List Price: 194.00  
Series: 3200, 3600, 4400, 6700, 6800.

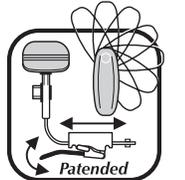

## LEVER OPERATED - WIDTH AND HEIGHT ADJUSTABLE ARMS

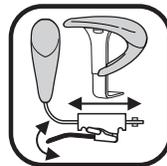

**Type HA**  
Polyurethane tear drop arm pad.  
List Price: 162.00  
Series: 1860, 6700.

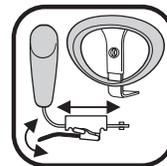

**Type HP**  
Polyurethane elongated arm pad.  
List Price: 162.00  
Series: 1860, 3200, 4400, 6700.

**Type HY**  
Polyurethane swing arm pad (Black only).  
List Price: 294.00  
Series: 1860, 4400, 6700.

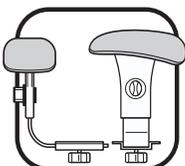

**Type HASL**  
Semi-loop arm pad.  
List Price: 214.00  
Series: 1860, 4400, 6700.

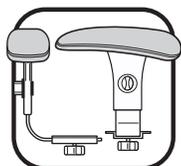

**Type HL**  
Polyurethane loop arm pad.  
List Price: 238.00  
Series: 1860, 4400, 6700.

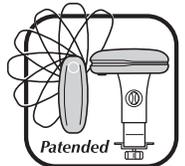

## STANDARD - KNOB OPERATED - WIDTH AND HEIGHT ADJUSTABLE ARMS

**Type AA**  
Polyurethane tear drop arm pad.  
List Price: 141.00  
Series: 2600, 3200, 3600.

**Type AAP**  
Polyurethane elongated arm pad.  
List Price: 141.00  
Series: 2600, 3200, 3600.

**Type YAA**  
Polyurethane swing arm pad.  
List Price: 273.00  
Series: 3200, 3600.

**Type AAL**  
Polyurethane loop arm pad.  
List Price: 217.00  
Series: 2600, 3200, 3600.

\*

In addition to the arm options as shown on this page; please note that Nightingale offers as standard, other arms unique to the design of their respective series which cannot be modified or adapted to fit any other series.

\*

## OTHER ARMS AND ARM PADS

**Type UC**  
Upholstered arm pad.  
List Price: 43.00  
Series: 4300, 4500.

**Type GE**  
Gel arm pads. A unique silicone gel fully encapsulated in polyurethane, providing a soft pliable arm support. Pad conforms to the weight and shape of the user's arm.  
List Price: 180.00  
Series: 1860, 3200, 3600, 4400, 6700, 6800.
