Intrinsic

Intrinsic is a fully integrated line of laminate freestanding components, and steel filing and storage. The freestanding components include desks, credenzas, bridges, returns, hutches, bookcases, tables and laminate storage. The steel storage includes pedestals, lateral files, storage towers and double-door storage units. This line offers high-end aesthetics, with a range of styling options and finishes.

Trendway product catalogs are available in the following design software: CAP, Data One, Giza, Midnight-Oil, and Project Matrix. The Intrinsic price book is also available in .pdf (Acrobat Reader) format on www.trenddealer.com. For Architects and Designers, a free FSL (Furniture Symbol Library) is available on www.trendway.com.

Product dimensions are given throughout the product catalog and are followed by parenthesis which have the metric equivalent in millimeters. For example: An Intrinsic Steel Two-Drawer Lateral File is available in a 29 $\frac{7}{8}$ " (759)-width.

Ordering Information

The most efficient way to enter an order is through Trendway On-Line Order Entry on www.trenddealer.com, which also accepts .sif files from the design software listed above. Faxed orders are available as well but may extend lead-times.

*Note: Small order handling fee - orders under \$1,000 list price that are not entered on-line will have a \$25 handling fee applied.

For ease in specifying, Trendway's catalog numbering system uses meaningful characters to convey description, surface type, and size. For example, ZLAT436 represents an Intrinsic Four-High **L**ateral File that has **4** drawers and is **36"** (914)-wide.

Order specification examples are shown throughout the price book at the bottom of each page. Be sure to follow the order sequence carefully to ensure complete and accurate order specification.

After placing an order, Trendway will send an order acknowledgement that follows the sequence of information outlined below. Trendway encourages you to follow the same steps so that checking your order against the acknowledgement will be as easy as possible.

Placing an Order

To make placing an order simple, Trendway On-Line Order Entry automatically prompts the product and option decisions that are required. For accurate order processing on faxed orders, please type your order or use legible handwriting, and be sure to include the following information:

1. A complete "sold to" address with correct Zip code.
2. A complete "ship to" address with correct Zip code.
3. A purchase order number. (The order is issued to Trendway Corporation, Holland, Michigan.)
4. A signature or name of person authorizing the purchase order.
5. A contact name and phone number at your company.
6. An actual calendar date for the requested ship date (not ASAP).
7. Line items that are complete, which means all catalog numbers and descriptions, options listed for each product selected, fabric/finish pattern and color descriptions, and all corresponding letter or number codes. Be sure to make a pick for all available options. Also, combine identical items and specify total quantity unless using special marking or tagging.

(Refer to the price book for ordering options.)
8. Special products referenced by their control numbers as well as their descriptions.
9. Line items that include price per unit, as well as extended totals.
10. A total dollar amount for the purchase order.
11. Any special shipping requirements clearly noted; i.e., "call before delivery."

By placing your orders correctly and completely the first time around, your order will be processed and scheduled without delay (subject to credit approval).

Lead-Times

The majority of Intrinsic products are shipped within Trendway's standard lead time. Extended lead-time items in the catalog are designated by shading. Xpress lead-times are available on select products and are listed separately in the Xpress section of this catalog.

Note: Shipping lead-times are subject to product availability due to order size. For exact lead-times on your order, contact Trendway Customer Care.

Sequence Information

The table below shows a sample of the price book format's sequence of information which will assist when placing an order and checking an order acknowledgement.

	Catalog Number	Pull Style	Trim Color	Lock
Sample Part Number:	ZLAT436	.L	.J	.R

Surface Material Program

The Trendway Surface Material Program includes a broad selection of coordinated fabrics, laminate and trim finish options. Additionally, Trendway offers a Customers Own Material (COM) program to allow customers to further personalize their work stations.

The following sections describe the Trendway Surface Materials vocabulary.

Standard Program

Trendway's Standard Program of timeless fabrics, finishes, vinyls and laminates, is recommended for corporate standards programs. These materials are carded, swatched and stocked by Trendway.

Surface Trends

Trendway's Surface Trends Program is an evolving collection of fabrics, vinyls, and laminates and are designated by  symbol. Influenced and kept up to date by emerging trends, the typical life span in this program is one to three years. Items no longer available through Trendway may still be available for purchase directly through the supplier. Materials in this program comply and in many cases exceed the industry standards for quality and performance.

Xpress

Xpress Surface Materials are available in a three-day lead time. The Xpress logo  notes which items are available on Xpress.

COM

Customers Own Material program allows customers to select and specify their own fabric or laminate on Trendway product. For detailed information, see COM in the Pricing, Procedures and Policies section in the back of this price book.

Custom Color

Trendway's Custom Color program allows the customer to specify their own color or stain on many of Trendway's products. Set up fees and lead-times are product specific and will vary. See Custom Color in the Pricing, Procedures and Policies section in the back of this price book.

Popular Competitive Colors

In addition to our standard finish colors, Trendway is pleased to offer a selection of popular competitive colors for specification on Intrinsic Steel Filing and Storage products. These colors are available within standard lead-time at no upcharge. For more information, please consult the current list of colors on the Trenddealer website under Surface Materials or contact Trendway Customer Care.

HOW TO ORDER SAMPLES

Binder Cards

Standard and Surface Trends binder cards are available through Trendway fulfillment. Call 1-800-968-5344, ext. 1.

Standard Program Samples

Samples of fabrics and finishes are available through Trendway fulfillment. Call 1-800-968-5344, ext. 1.

Surface Trends Samples

Surface Trends **samples must be ordered directly through the supplier.** Contact information is listed below. Reference the pattern name and color along with the supplier part number on the back of your binder card to order samples.

Wilsonart®

www.wilsonart.com
1-800-433-3222

Please note: Colors on printed sample cards are as accurate as offset printing allow. Please refer to the actual sample before ordering.

Intrinsic Keying Order Form

This form can be used as a worksheet or an order form to determine what key-alike Intrinsic Core/Key Sets are needed for key-alike Intrinsic filing and storage, Intrinsic locks on Choices and Contrada flipper units and for additional Intrinsic Lock Keys, Core Keys and Master Keys*. It is also used to specify special tagging instructions to designate installation locations, which is offered free of charge.

The information on this form can either be entered in Trendway's design software, or through Trendway On-line Order Entry on trenddealer.com using the catalog numbers listed below or it can be used as an order form and faxed to Trendway Customer Care.

Intrinsic Core/Key Set

Intrinsic Core/Key Set includes a lock core and 1 lock key. Intrinsic Core/Key Set numbers are randomly selected from existing inventory unless otherwise specified on this form. Requesting specific numbers** may delay shipment of your key-alike order and may require partial or delayed shipment of your lock cores and keys separately from your order. Additional lock keys are available.

**Note: Trendway selected key numbers (pick "0") are readily available. Requesting Key numbers T100-T299 could require an additional lead time depending on availability. Contact Customer Care for availability.

Intrinsic Core Installation/Removal Key

Intrinsic Core Installation/Removal Key is needed to install Core/Key Sets and to remove or replace existing Intrinsic lock cores. One Core Key is included at no charge for every 1 to 50 Core/Key Sets ordered.

*Intrinsic Master Key

Intrinsic Master Key is used to open any Intrinsic style lock. Master keys are sent out separately from the product order. Request for Master keys must be made on the end users letterhead and faxed to Trendway Customer Care at 1-800-893-8212. Orders are shipped within 24-hours of receipt.

Intrinsic Master Keys are used to open any Intrinsic style lock. Master keys are sent separately from the product order. Request for Master keys must be made on the end users letterhead and faxed to Trendway Customer Care at 1-800-893-8212. Orders are shipped within 24-hours of receipt.

Intrinsic Core/Key Set

The Intrinsic Core/Key Set must be ordered when the Key-Alike Lock option is chosen to replace the "disposable" core that ships with Intrinsic filing units in order for these units to lock. This set can also be ordered to replace an existing Intrinsic Core/Key Set. Includes an Intrinsic lock core, 1 lock key and 1 Core Installation/Removal Key for every 1 to 50 Core/Key Sets ordered.

Note: Trendway selected key numbers (pick "0") are readily available. T100-T299 require an additional lead time

depending on availability. Contact Customer Care for availability.

Intrinsic Core Installation/Removal Key

The Intrinsic Core Installation/Removal Key is needed to install or remove Intrinsic Cores in Intrinsic filing units or in Intrinsic Locks for Choices and Contrada Flipper Units (ZCHFILA and ZCTAFLA). One Core Key is included at no charge with every 1 to 50 Intrinsic Core/Key Sets ordered. This key is available if additional Installation/Removal Keys are needed.

Intrinsic Lock Key

Intrinsic Lock Keys have a unique fold-away design to allow for a larger key grip area. These keys are available if additional Intrinsic Lock Keys are needed.

Intrinsic Locks for Choices and Contrada Flipper Units

An Intrinsic lock can be used to replace the locks on Choices and Contrada Flipper Units to allow for key-alike with other Intrinsic filing and storage units. The lock assembly hardware is customized to fit each style flipper unit.

There are two lock options to choose from, **randomly keyed** (option "R") or **key-alike** (option "T"). When the randomly keyed option "R" is chosen, the lock will be assembled with a randomly numbered core and key. When the key-alike option "T" is chosen,

the lock will be assembled with a plastic "disposable" core.

The "disposable" core must be field replaced with an Intrinsic Core/Key Set in order for the filing unit to lock. The Core/Key Set (ZLCK) must be ordered separately or by using the Keying Order Form.

1. Xpress Orders**• Using Xpress**

Xpress is Trendway's quick shipment program designed to help customers meet their immediate office furnishing needs by shipping complete products within three (3) working days of a complete order.

Items indicated with the Xpress logo in this price list are included in the Xpress program.

Xpress is a selected offering that features more frequently requested Trendway products, options, and finishes — enough to address most commonly encountered work situations in today's office.

Because Xpress lead times are so short, no COM or special orders can be accepted.

• The Maximum Order

Intrinsic Xpress orders are limited to a maximum of \$30,000 retail list price for 3-day shipment. Due to the special nature of this offering, no deviations or substitutions of products will be accepted. **Shipments are subject to product availability.** Orders containing any non-Xpress products will be scheduled for normal lead times.

- **Changing or Canceling an Order**
Xpress orders are often processed the day after order entry. Therefore, your Xpress order may be changed or canceled only on the same day that it is placed.

2. Transportation

All orders are shipped by Trendway truck or common carrier. List prices shown include Trendway specified freight cost on all orders. For additional information about transportation, contact Trendway Customer Care 1-800-893-8115.

3. Prices

Prices shown in this offering are F.O.B. origin, freight prepaid. Trendway reserves the right to change prices without notice.

Intrinsic Steel Filing & Storage *13*

Intrinsic Freestanding *20*

Steel Bookcases

The Five-High Bookcase matches up precisely with the height of the Five-High Intrinsic Lateral File. The 70-inch High Bookcase allows for 5 full-height useable shelves. The Five-High and the 70-inch High cases each have 4 adjustable shelves. The shelf thickness is 3/4" (19) and vertically adjustable in 1 1/2" (38) increments.

Available accessories include Bookcase Shelf/File Dividers and Intrinsic Bookcase Shelves.

Steel Double-Door Storage Cabinets

The Two-High Intrinsic Double-Door Storage Cabinet is constructed of painted metal and is available to match the Two-High Intrinsic Lateral File. Features include hinged locking double-doors with one adjustable shelf. Shelves adjust vertically in 1 1/2" (38) increments.

Available accessories include additional Lateral File Dividers and Double-Door Storage Shelves.

Steel Lateral Files

Intrinsic Lateral Files are available with or without pre-installed counterbalance weights. The Intrinsic Lateral Files are constructed of painted metal and includes full extension ball bearing slides, an interlock mechanism that allows only one drawer to open at a time, side-to-side filing bars, leveling glides and one plastic label holder per drawer. Drawers accommodate side-to-side letter, A4, legal and EDP filing.

The Intrinsic Five-High Lateral File has four lateral drawers and an overhead

storage unit with a door that stores over the top and has a stationary shelf. The Five-High Lateral File includes 2 Lateral File Dividers.

The Intrinsic Five-Drawer Lateral File has four lateral drawers and an over the top storing flipper door with a roll-out filing shelf behind the door.

Available accessories include Intrinsic Front-to-Back Filing Bars, Lateral File Tops, Counterbalance Weights (for units without pre-installed counterbalance weights) and additional Lateral File Dividers and Label Holders.

Note: Counterbalance Weights **are required** for individual lateral files that are not anchored or ganged back-to-back. Order separately.

When the key-alike lock option "T" is chosen a "disposable" core is assembled in the filing unit to temporarily secure the drawers and doors for transit. The "disposable" core must be field replaced with an Intrinsic Core/Key Set in order for the Intrinsic filing unit to lock. The Core/Key Set (ZLCK) must be ordered separately or by using the Keying Order Form.

Steel Lateral File Counterbalance Weights

Intrinsic Lateral File Counterbalance Weights provide additional stability and must be used for individual lateral files that are not anchored or ganged back-to-back. All hardware is included for field installation.

Steel Lateral File Front-to-Back Filing Bars

Intrinsic Lateral File Front-to-Back Filing Bars convert standard side-to-side filing to front-to-back filing in Intrinsic Lateral File drawers. Includes a set of 2 bars. One kit will accommodate any width

Intrinsic File. See Lateral File Front-to-Back Filing Bar Application Guide in the Intrinsic planning section for further information.

Steel Lateral File Dividers

Lateral File Dividers are freestanding painted metal dividers that securely attach magnetically to a shelf or drawer bottom.

Available in Black only.

Steel Label Holders

Intrinsic Label Holders attach to Intrinsic filing units. Two label holder types are available, one for Bevel Pull fronts and one for Applied Pull fronts. Packaged in boxes of 6 with 12 labels.

STEEL PEDESTALS

Intrinsic Pedestals offer two drawer configurations: 12/12 with two 12" (305) drawers or 6/6/12 with two 6" (152) and one 12" (305) drawer. 6/6/12 Pedestals also include one pencil tray and each 6" drawer includes two drawer dividers.

When the key-alike lock option "T" is chosen, the Core/Key Set (ZLCK) must be ordered separately or by using the Keying Order Form.

Steel Freestanding Pedestals

The Intrinsic Freestanding Pedestal is designed with an integrated non-removable top that can be used beside or beneath the work top.

The pedestal is constructed of painted metal, has full extension ball bearing slides on both 6" (152) and 12" (305) drawers and includes lockable drawers and leveling glides.

Available accessories include Intrinsic Pedestal Counterbalance Weights, Side-to-Side Filing Bars and additional 6" Drawer Dividers and Pencil Trays.

Note: To use the Freestanding pedestal other than under a work surface, order an Intrinsic Pedestal Counterbalance Weight.

Steel Mobile Pedestals

The Intrinsic Mobile Pedestal is designed with a full skirt that conceals the pedestal's casters. The Pedestal is constructed of painted metal, has full extension ball bearing slides on both 6" and 12" drawers and includes lockable drawers, a counterbalance weight and four casters.

Available accessories include Side-to-Side Filing Bars and additional 6" Drawer Dividers and Pencil Trays.

Lateral File Tops

Intrinsic Lateral File Tops are sized and intended to be used with Intrinsic Steel Two-High, Three-High and Four-High Lateral Files. They are available for use with a single lateral file or a combination of two or four lateral files. Lateral File Tops have a high-pressure laminate or Thermofused laminate surface with vinyl edge. Tops are nominal 1 1/4" (32) thick on high-pressure laminate and nominal 1" (25) thick on Thermofused laminate. The edgeband color will always match the color of the Thermofused laminate.

Note: 18" (457)-deep Lateral File Tops are sized to fit between Return Panels and can also be used in freestanding applications. 36" (914)-deep Lateral File Tops are sized for freestanding applications only.

Rectangular Desks/Credenza

The Rectangular Desk has a Thermofused laminate top with vinyl edging. Standard features include a modesty, end panels, leveling glides and grommets. See grommet information in the planning section for standard grommet locations.

End panels are non-handed and can be field installed on either the left or right side.

Pedestals, File Centers, Center Drawers and other Filing and Storage units are specified separately for maximum

flexibility. These units are offered in the Laminate filing and storage section.

If using a 24" (610)-deep desk as a Credenza, the inside dimensions are 57½" (1464) for a 60" (1524)-wide and 69½" (1768) for a 72" (1829)-wide. Therefore, two 30" (762)-wide storage units will not fit under a ZFRD2460 and two 36" (914)-wide storage units will not fit under a ZFRD2472.

Shipped ready to assemble.

Extended Rectangular Desks/Credenza

The Extended Rectangular Desk has a Thermofused laminate top with vinyl edging. Standard features include a modesty, end panels, leveling glides and grommets. See grommet information in the planning section for standard grommet locations.

Pedestals, File Centers, Center Drawers and other Filing and Storage units are specified separately for maximum flexibility. These units are offered in the Laminate filing and storage section.

If using a 24" (610)-deep extended desk as a Credenza, the inside dimensions are 57⁵/₈" (1464) for a 60" (1524)-wide and 69⁵/₈" (1768) for a 72" (1829)-wide. Therefore, two 30" (762)-wide storage units will not fit under a ZFERDR367224 and two 36" (914)-wide storage units will not fit under a ZFERDL247236.

Shipped ready to assemble.

Bowed Front Desks

The Bowed Front Desk has a Thermofused laminate top with vinyl edging. Standard features include a modesty, end panels, leveling glides and grommets. See grommet information in the planning section for standard grommet locations.

The Bowed Front Desk has a bowed top that is curved on the guest side extending 6" at the center.

End panels are non-handed and can be field installed on either the left or right side.

Pedestals, File Centers, Center Drawers and other Filing and Storage units are specified separately for maximum flexibility. These units are offered in the Laminate filing and storage section.

D-Top Peninsula Desks

D-Top Peninsula Desks have Thermofused laminate D shaped top with vinyl edging. Standard features include a T-base support with adjustable height support column, or a modesty with end panels, leveling glides and grommets. See grommet information in the planning section for standard grommet locations.

D-Top Peninsula Desks are non-handed.

If T-Base is chosen, then the adjustable support column is black.

Note: A D-Top Peninsula Desk must be connected to other Freestanding units for proper stability.

Pedestals, File Centers, Center Drawers and other Filing and Storage units are specified separately for maximum flexibility. These units are offered in the Laminate filing and storage section.

Shipped ready to assemble.

Returns

Returns are designed to be used as an extension off the front edge of a Freestanding Desk, off the sides of a Corner Desk or off the side of a Peninsula Desk.

The Return has a rectangular Thermofused laminate top with vinyl edging. Standard features include a modesty, end panel, leveling glides and grommet. See grommet information in the planning section for standard grommet locations. All necessary attachment hardware included.

Returns are non-handed and can be field installed on either the left or right side.

Shipped ready to assemble.

Note: Intrinsic Returns may be ordered with a 14" (356) recessed end panel for applications requiring additional leg clearance.

Bridges

The Bridge is designed to be used as a connection between two desks to create a U-shaped configuration. The Bridge has a rectangular Thermofused laminate top with vinyl edging. Standard features

include a modesty and grommet. See grommet information in the planning section for standard grommet locations. All necessary attachment hardware included.

Shipped ready to assemble.

Hutches with Doors

The Intrinsic Hutch with Doors is available in 60" (1524) and 72" (1829) widths. Standard features include four equally proportioned non-locking hinged doors, 1" (25)-thick top, full coverage back panel with finished wire management ring at task light level and integrated 1" (25) full length cord management gap at base of the back panel.

Available accessories include full-width paper management slots, tackboards and task lights.

Note: Unit color refers to side panels, back panel and valance.

Note: Hutch with Doors and Open Hutch attaches to work surface with double-sided foam tape.

Shipped assembled.

Open Hutch

The Open Hutch is available in 30" (762) and 36" (914) widths. The units are for use above work surfaces, above the 24" (610)-deep 2-high Double Door Storage Cabinet and above the 24" (610)-deep two-drawer lateral. The open hutches

have a 3/8" (10) cord pass through gap behind the shelves and a 1" (25) full length cord management gap at base of the back panel. Each unit comes standard with two adjustable shelves and necessary shelf mounting pins. Each shelf is adjustable in 2 1/2" (64) increments.

Available accessories include additional shelves with mounting pins, tackboards and task lights.

Shipped ready to assemble.

INTRINSIC LAMINATE PEDESTALS

When the key-alike lock option "T" is chosen, the Core/Key Set (ZLCK) must be ordered separately or by using the Keying Order Form.

Shipped assembled.

Laminate Modular Pedestals

The Intrinsic Laminated Modular Pedestal is designed to be used beneath the work top.

Intrinsic Laminated Pedestals offer two drawer configurations: 12/12 with two 12" drawers or 6/6/12 with two 6" and

one 12" drawer. 6/6/12 Pedestals include one pencil tray.

The Laminated Modular Pedestal has full extension ball bearing slides on both 6" and 12" drawers and includes lockable drawers and leveling glides.

Available accessories include Laminated Modular Freestanding Pedestal Conversion Kit, Side-to-Side Filing Bars and additional Pencil Trays.

Note: To use the Modular pedestal other than under a work surface, order a Laminated Modular Pedestal Conversion Kit.

Laminate 3/4 Mobile Pedestal

The Intrinsic Laminated Mobile 3/4 Pedestal is designed with a full skirt that conceals the pedestal's casters. The 3/4 Pedestal has full extension ball bearing slides on both 6" and 12" drawers and includes lockable drawers, four casters and counterbalance weight (for units with pre-installed counterbalance weights).

Available accessories include Side-to-Side Filing bars, Cushion Top and Counterbalance weight (for units without pre-installed counterbalance weights).

Laminate Two-Drawer Lateral Files

The Intrinsic Laminate Two-Drawer Lateral Files include full extension ball bearing slides, an interlock mechanism that allows only one drawer to open at a time, side-to-side filing bars, front-to-back filing bars and leveling glides. Drawers accommodate side-to-side letter, A4, legal and EDP filing.

The 18" (457)-deep lateral files are intended for use under work surfaces and may not be used in freestanding applications. The 24" (610)-deep, full-depth lateral is a freestanding element.

Shipped assembled.

When the key-alike lock option "T" is chosen a "disposable" core is assembled in the filing unit to temporarily secure the drawers and doors for transit. The "disposable" core must be field replaced with an Intrinsic Core/Key set in order for the Intrinsic filing unit to lock. The Core/Key set (ZLCK) must be ordered separately or by using the keying order form.

Laminate Double-Door Storage Cabinets

The Laminate Double-Door Storage cabinet is available in two depths (18" and 24").

Features include hinged locking double-doors with one adjustable shelf in the two-high unit. Shelves adjust vertically in 2½" increments. Unit also includes leveling glides.

Available accessories include additional Double-Door Storage Shelves.

Note: The 18" (457)-deep Double-Door Storage Cabinet is intended for use under the work surface and may not be used in freestanding applications. The 24" (610)-deep Double-Door Storage Cabinet is a freestanding element.

Shipped assembled.

When the key-alike lock option "T" is chosen a "disposable" core is assembled in the filing unit to temporarily secure the drawers and doors for transit. The "disposable" core must be field replaced with an Intrinsic Core/Key set in order for the Intrinsic filing unit to lock. The Core/Key set (ZLCK) must be ordered separately or by using the keying order form. Check Customer Care for availability.

<u><i>Pedestal Accessories – Steel</i></u>	<u>49</u>

Finishes

All Intrinsic steel filing and storage units, including door and drawer fronts, are painted metal and are available in a variety of finishes.

Pull Style Options

Intrinsic steel filing units have two pull style options, a bevel pull and an applied pull. The applied pull has three 128mm center pull hardware options to choose from: Classic, Streamline, Designer and Contemporary.

Bevel

Applied

Note: Applied Pulls (Classic, Streamline, Designer and Contemporary) add up to 1 1/8" (29) to the depth of the file unit.

Intrinsic Key Option

Intrinsic steel filing and storage units have two lock options to choose from. Units can be randomly keyed (option "R") or they can be key-alike (option "T") for no additional upcharge (see page 90 for more information). When the randomly keyed option "R" is chosen the Intrinsic steel filing and storage unit will ship with a randomly numbered core/key.

When the key-alike lock option "T" is chosen the Intrinsic steel filing unit will ship with a "disposable" core in place of the core/key and the specified Intrinsic Core/Key set(s) will be packaged separately for field installation. The "disposable" core must be field replaced with an Intrinsic Core/Key set in order for the Intrinsic steel filing unit to lock. The Core/Key set (ZLCK) must be ordered separately or by using the Intrinsic Keying order form.

Glide Adjustment Range

1 1/8" (38) for all Intrinsic steel filing and storage units.

Load Capacities

All Intrinsic steel filing units meet or exceed the following BIFMA load requirements. For a complete listing of load capacities, contact Trendway Customer Care or visit trenddealer.com

Steel Pedestal:

6" (152) Pedestal Drawer — 20 lbs. (9kg)
12" (305) Pedestal Drawer — 40 lbs. (18kg)
Top — 90 lbs. (41kg)

Steel Laterals:

Drawer — approx. 2.6 lbs. (1.17kg) per linear inch
Shelf (5-High) — approx. 3.3 lbs. (1.5kg) per linear inch
Top — approx. 4.6 lbs. (2.1kg) per linear inch

Steel Storage Towers:

6" (152) Pedestal Drawer — 20 lbs. (9kg)
12" (305) Pedestal Drawer — 40 lbs. (18kg)
Top — 140 lbs. (64kg)
Wardrobe Shelf — 30 lbs. (14kg)
Wardrobe Bottom — 50 lbs. (23kg)
Cupboard Shelf — 60 lbs. (27kg)
Cupboard Bottom — 90 lbs. (41kg)
Coat Rod — 10 lbs. (5kg)

Steel Double-Door Storage Units:

Shelf — 100 lbs. (45kg)
Top — 160 lbs. (73kg)
Bottom of Cabinet — 160 lbs. (73kg)
Coat Rod — 55 lbs. (25kg)

Maximum Load Capacity For Any Steel Storage Unit

The maximum load capacity for any storage unit is calculated by multiplying the above stated lbs. for each shelf or drawer that is included with the unit and adding them together (includes the top of the unit and the inside bottom).

Eg: Maximum load capacity for a ZDD536 = load capacity for bottom + 3 shelves + unit top
= 160 lbs. + 100 lbs. x 3 + 160 lbs.
= 620 lbs. maximum load

Eg: Maximum load capacity for a ZLAT536 = load capacity for drawer x 4 drawers + 5-high flipper shelf + unit top
= 2.6 lbs./linear in. x 36" x 4 + 3.3 lbs./linear in. x 36" + 4.6 lbs./linear in. x 36"
= approx. 658 lbs. maximum load (for actual load capacities for each size Intrinsic Steel Lateral File contact Trendway Customer Care or visit trenddealer.com).

Note: The addition of more shelves does not increase the maximum amount a unit can be loaded.

Proper Usage

Pedestals and Two-High Lateral Files

Any pedestal and two-high lateral file that is attached to the underside of a work surface must have glides adjusted to support the weight of the pedestal or lateral file.

Lateral Files

CAUTION: Any freestanding lateral file, if improperly used or loaded, can tip. Since files may contain significant weight, this tipping can result in serious damage and/or personal injury. For proper and safe performance, read and follow instructions provided with each file.

Do not attempt to open more than one lateral file drawer at a time. Do not use drawers as steps. Failure to follow these instructions may cause tipping of cabinet, resulting in personal injury.

Use counterbalance weights whenever lateral files or pedestals are not anchored or ganged back-to-back. Side-by-side ganging does not improve stability.

To avoid tipping, always load bottom drawers before loading top drawer.

Specifications

All dimensions are nominal unless otherwise noted.

Intrinsic Supporting Elements

Intrinsic Steel Pedestals, 2-high Laterals and 2-high Double Door Storage Cabinets can be used as work surface supporting elements which may replace return panels if all of the following criteria is met.

- All criteria for using **lower height return panels** is met (page 59 in the Choices price book).
- At least half of the support elements must be return panels.
- When using Intrinsic Steel Pedestals, 2-high Laterals and 2-high Double Door Storage Cabinets as a work surface supporting element, a Work Surface Bracket must be used to support the back of the work surface and filing unit must be attached to the underside of the work surface using 4 screws and washers.

Intrinsic Steel Lateral File Front-to-Back Filing Bar Application Guide

Intrinsic Steel Lateral File Front-to-Back Filing Bars (ZLATFBB) are used to convert letter and legal size folders to front-to-back filing in Intrinsic Lateral File drawers. The diagrams below illustrate capacity and how many bars are needed for each application.

Intrinsic Lateral Front-to-Back Filing Bars

For use with Intrinsic Steel Lateral Files

Letter Size Filing

Legal Size Filing

Intrinsic Steel Lateral File Top Specification Guide

Intrinsic Lateral File Tops are available for use with one, two or four Intrinsic lateral file unit combination. For non-standard sizes, contact Trendway Custom Solutions 1-800-893-8117.

Steel Storage Towers

The Intrinsic Storage Tower provides wardrobe, drawer and cupboard storage in a single cabinet. Each of these storage areas can be locked independently to allow for varying levels of security. Storage Towers are available in either a Right-Hand version with the wardrobe on the right side, or a Left-Hand version with the wardrobe on the left side.

Storage Towers are constructed of painted metal and have adjustable leveling glides. The wardrobe unit includes a wardrobe bar and one adjustable painted metal shelf. The

cupboard unit includes two adjustable painted metal shelves. Shelves adjust vertically in 1½" (38) increments. The pedestals have full extension ball bearing slides on both 6" and 12" drawers. 6/6/12 pedestals include one pencil tray and each 6" drawer includes two drawer dividers. All Intrinsic Storage Towers include a pre-installed counterbalance weight.

Available accessories include Lateral File Dividers, Intrinsic Side-to-Side Filing Bars and additional shelves, 6" Drawer Dividers and Pencil Trays.

When the key-alike lock option "T" is chosen a "disposable" core is assembled in the filing unit to temporarily secure the drawers and doors for transit. The "disposable" cores must be field replaced with Intrinsic Core/Key Sets in order for the Intrinsic filing unit to lock. Core/Key Sets (ZLCK) must be ordered separately or by using the keying order form.

Note: For Storage Towers only; If "R" is chosen the same random lock number will be assembled in each of the 3 lock locations.

Steel Lateral Files

Intrinsic Lateral Files are available with or without pre-installed counterbalance weights. The Intrinsic Lateral Files are constructed of painted metal and includes full extension ball bearing slides, an interlock mechanism that allows only one drawer to open at a time, side-to-side filing bars, leveling glides and one plastic label holder per drawer. Drawers accommodate side-to-side letter, A4, legal and EDP filing.

Available accessories include Intrinsic Front-to-Back Filing Bars, Lateral File Tops, Counterbalance Weights (for units without pre-installed counterbalance weights) and additional Lateral File Dividers and Label Holders.

Note: Counterbalance Weights **are required** for individual lateral files that are not anchored or ganged back-to-back. Order separately.

When the key-alike lock option "T" is chosen a "disposable" core is assembled in the filing unit to temporarily secure the drawers and doors for transit. The "disposable" core must be field replaced with an Intrinsic Core/Key Set in order for the Intrinsic filing unit to lock. The Core/Key Set (ZLCK) must be ordered separately or by using the Keying Order Form.

Steel Lateral File Counterbalance Weights

Intrinsic Lateral File Counterbalance Weights provide additional stability and must be used for individual lateral files that are not anchored or ganged back-to-back. All hardware is included for field installation.

Steel Lateral File Front-to-Back Filing Bars

Intrinsic Lateral File Front-to-Back Filing Bars convert standard side-to-side filing to front-to-back filing in Intrinsic Lateral File drawers. Includes a set of 2 bars. One kit will accommodate any width

Intrinsic File. See Lateral File Front-to-Back Filing Bar Application Guide in the Intrinsic planning section for further information.

Steel Lateral File Dividers

Lateral File Dividers are freestanding painted metal dividers that securely attach magnetically to a shelf or drawer bottom.

Available in Black only.

Steel Label Holders

Intrinsic Label Holders attach to Intrinsic filing units. Two label holder types are available, one for Bevel Pull fronts and one for Applied Pull fronts. Packaged in boxes of 6 with 12 labels.

Lateral File Tops

Intrinsic Lateral File Tops are sized and intended to be used with Intrinsic Steel Two-High, Three-High and Four-High Lateral Files. They are available for use with a single lateral file or a combination of two or four lateral files. Lateral File Tops have a high-pressure laminate or Thermofused laminate surface with either vinyl or wood edge. Wood edge only available on high-pressure laminate tops. Tops are nominal 1 1/4" (32) thick on high-pressure laminate and nominal 1" (25) thick on Thermofused laminate. The

edgeband color will always match the color of the Thermofused laminate.

The edgeband color will always match the color of the Thermofused laminate.

Note: 18" (457)-deep Lateral File Tops are sized to fit between Return Panels and can also be used in freestanding applications. 36" (914)-deep Lateral File Tops are sized for freestanding applications only.

Steel Double-Door Storage Cabinets

The Intrinsic Double-Door Storage Cabinet is constructed of painted metal and is available in three heights to match two-, three- and five-high Intrinsic Lateral Files. Features include hinged locking double-doors with one adjustable shelf in the two-high unit, two adjustable shelves in the three-high unit and three adjustable shelves in the five-high unit. Shelves adjust vertically in 1½" (38) increments.

Available accessories include additional Lateral File Dividers and Double-Door Storage Shelves.

Steel Double-Door Wardrobe Cabinet

The Intrinsic Double-Door Wardrobe Cabinet is constructed of painted metal and matches the height of the five-high Intrinsic Lateral Files. Features include hinged locking double-doors, one painted shelf and a full-width wardrobe bar.

Available accessories include Lateral File Dividers and Intrinsic Double-Door Storage Shelves.

When the key-alike lock option "T" is chosen a "disposable" core is assembled in the filing unit to temporarily secure the drawers and doors for transit. The "disposable" core must be field replaced with an Intrinsic Core/Key set in order for the Intrinsic filing unit to lock. The Core/Key set (ZLCK) must be ordered separately or by using the keying order form.

Steel Bookcases

The Bookcases are available in four heights: Two-, Three- and Five- and an additional 70"-High version. The Two-, Three- and Five-High Bookcases match up precisely with the height of the Two-, Three-, and Five-High Intrinsic Lateral Files. The 70-inch High Bookcase allows for 5 full-height useable shelves. The Two-High case has one adjustable shelf; the Three-High case has 2 adjustable shelves; the Five-High and the 70-inch High cases each have 4 adjustable shelves. The shelf thickness

is 3/4" (19) and vertically adjustable in 1 1/2" (38) increments.

Available accessories include Bookcase Shelf/File Dividers and Intrinsic Bookcase Shelves.

Note: The Intrinsic Two-High Bookcase cannot be used as a work surface supporting element.

INTRINSIC STEEL PEDESTALS

Intrinsic Pedestals offer two drawer configurations: 12/12 with two 12" (305) drawers or 6/6/12 with two 6" (152) and one 12" (305) drawer. 6/6/12 Pedestals also include one pencil tray and each 6" drawer includes two drawer dividers.

When the key-alike lock option "T" is chosen, the Core/Key Set (ZLCK) must be ordered separately or by using the Keying Order Form.

Steel Freestanding Pedestals

The Intrinsic Freestanding Pedestal is designed with an integrated non-removable top that can be used beside or beneath the work top.

The pedestal is constructed of painted metal, has full extension ball bearing slides on both 6" (152) and 12" (305) drawers and includes lockable drawers and leveling glides.

Available accessories include Intrinsic Pedestal Counterbalance Weights, Side-to-Side Filing Bars and additional 6" Drawer Dividers and Pencil Trays.

Note: To use the Freestanding pedestal other than under a work surface, order an Intrinsic Pedestal Counterbalance Weight.

Steel Mobile Pedestals

The Intrinsic Mobile Pedestal is designed with a full skirt that conceals the pedestal's casters. The Pedestal is constructed of painted metal, has full extension ball bearing slides on both 6" and 12" drawers and includes lockable drawers, a counterbalance weight and four casters.

Available accessories include Side-to-Side Filing Bars and additional 6" Drawer Dividers and Pencil Trays.

Steel Pedestal Counterbalance Weight

The Intrinsic Pedestal Counterbalance Weight must be used in Intrinsic Freestanding Pedestals that are configured in freestanding applications other than under a work surface. All hardware is included for field installation.

Steel Pedestal Pencil Tray

The Pencil Tray organizes small items in the 6" (152) Intrinsic Pedestal and Storage Tower drawers. They are available when additional pencil trays are needed.

Available in black only.

Steel Pedestal 6" Drawer Dividers

The 6" Drawer Divider fits into slots in the 6" Intrinsic Pedestal and Storage Tower drawer to divide space. They are available when additional dividers are needed.

Available in black only.

Steel Pedestal Side-to-Side Filing Bars

Side-to-Side Filing Bars convert Intrinsic 12" Pedestal and Storage Tower drawers to side-to-side or legal-size filing.

Available in black only.

Intrinsic Freestanding Overview

Intrinsic Freestanding is a fully integrated line of quality freestanding desks and modular case goods. The collection includes desks, credenzas, hutches, modular filing and storage, and conference tables. This line offers high-end aesthetics, with a range of styling options and finishes.

Ordering Information

For ease in specifying, Trendway's catalog numbering system uses meaningful characters to convey description, surface type, and size. For example, ZFCD2436 represents an Intrinsic **Corner Desk, 24"** (610)-deep by **36"** (762)-wide.

By following the Sample Part Number Example at the bottom of each page, you create a Part Number for each product. This Part Number will match your acknowledgement and packing slip.

When ordering filing and storage units, list the following:

1. Quantity (combine same products)
2. Complete Part Number, see Sample Part Number at the bottom of each page for correct number sequence.
3. For ease of reading, place a period between each option number (ZFERDR427230.F.XZ1.XZ4).

Intrinsic Key Option

Intrinsic Laminate filing and storage units have two lock options to choose from. Units can be randomly keyed (option "R") or they can be key-alike (option "T") for no additional upcharge (see page 8 for more information). When the randomly keyed option "R" is chosen the Intrinsic Laminate filing and storage unit will ship with a randomly numbered core/key.

When the key-alike option "T" is chosen the Intrinsic Laminate filing unit will ship with a "disposable" core in place of the core/key and the specified Intrinsic Core/Key set(s) will be packaged separately for field installation. The "disposable" core must be field replaced with an Intrinsic Core/Key set in order for the Intrinsic Laminate filing unit to lock. The Core/Key set (ZLCK) must be ordered separately or by using the Intrinsic Keying order form.

Total Cost \$654 =	\$654	+ N/C	+ N/C	+ N/C

STANDARD FEATURES

Modesties

Modesty panels are available as full-height or half-height. Half-height modesties provide 12" (305) of space under the modesty for accessing wall outlets.

End Panels and Supports

Desks come with full depth end panels or Adjustable Support Column and T-base (Peninsula and Extended Conference desks only). Returns come with a full or recessed end panel.

Edgebanding

All components are finished with a thick PVC edgebanding. The edgeband color will always match the color of the Thermofused laminate. All work surfaces and storage component tops have 3mm edgebanding. All remaining components have 1mm edgebanding.

Wire Management

All desks, credenzas, returns, bridges, and reception stations are equipped, at work surface level, with one or multiple grommets. An optional grommet is available for field installation in all modesty panels. Grommets are available in black only.

Drawers

All drawers are built for trouble-free performance:

- Chrome plated fully progressive ball bearing suspensions with over-travel on all lateral file drawers with 150 lbs rated load capacity.
- Chrome plated ball bearing suspensions on all box drawers and file drawers with 75 lbs rated load capacity.
- Drawer construction is laminated particleboard sides with MDF bottom.
- Integrated PVC top rails for file storage on lateral drawers and 12" pedestal drawers.
- Interlock standard on all freestanding laterals.

Doors

Hutch and Storage doors have 95 degree hinges and shock absorbent bumpers.

Leveling Glides

Desks, Credenzas, Returns, Bridges, Reception Stations, Tables and Bookcases allow up to 1" height adjustment.

Pedestals, Laterals, File Centers, Storage Cabinets and Towers allow up to 1½" height adjustment, and are adjustable from inside the storage unit.

Pull Style Options

Intrinsic Laminate Freestanding filing and storage units have three applied pull options (Classic, Streamline, and Designer). The pulls are 128mm center.

Intrinsic Freestanding Laminate Finishes

Standard finishes for Intrinsic Freestanding:

XZ1	Wild Cherry
XZ2	Fusion Maple
XZ3	Empire Mahogany
XZ4	Black

Dimensions

All dimensions listed are nominal unless otherwise noted.

Certification

All components of the Intrinsic Freestanding offering meet or exceed ANSI/BIFMA performance standards unless noted.

Special Products and Finishes

Please contact Trendway Custom Solutions 1-800-893-8117 for product availability and pricing on non-standard products.

Special finishes (i.e. non-standard) may be ordered at an upcharge. Minimum quantity may be required. Please verify with our Custom Solutions Department. Delivery may take longer depending on the choice of finish or type of material.

SPECIFICATIONS

Load Capacities

All Intrinsic Laminate filing units meet or exceed the following BIFMA load requirements. For a complete listing of load capacities, contact Trendway Customer Care or visit trenddealer.com

Desks:

5 lbs. (2.3kg) per linear inch, uniformly distributed.

Hutches and Bookcases:

3 lbs. (1.4kg) per linear inch of usable space.

Overhead Storage Units: Inside — 3 lbs. (1.4kg) per linear inch.

Top — 2 lbs. (.9kg) per linear inch of usable space.

Pedestal:

6" (152) Pedestal Drawer — 20 lbs. (9kg)

12" (305) Pedestal Drawer — 40 lbs. (18kg)

Top — 90 lbs. (41kg)

Laterals:

Drawer — approx. 2.6 lbs. (1.17kg) per linear inch

Top — approx. 4.6 lbs. (2.1kg) per linear inch

Storage Towers:

6" (152) Pedestal Drawer — 20 lbs. (9kg)

12" (305) Pedestal Drawer — 40 lbs. (18kg)

Top — 140 lbs. (64kg)

Wardrobe Shelf — 30 lbs. (14kg)

Wardrobe Bottom — 50 lbs. (23kg)

Cupboard Shelf — 60 lbs. (27kg)

Cupboard Bottom — 90 lbs. (41kg)

Coat Rod — 10 lbs. (5kg)

Double-Door Storage Units:

Shelf — 100 lbs. (45kg)

Top — 160 lbs. (73kg)

Bottom of Cabinet — 160 lbs. (73kg)

Coat Rod — 55 lbs. (25kg)

Tables:

48" (1219) - 60" (1524) — 200 lbs. (276kg)

72" (1829) and longer — 400 lbs. (552kg)

Reception Stations:

Counter Caps: 3.5 lbs. (1.6kg) per linear inch, uniformly distributed.

Maximum Load Capacity For Any Storage Unit

The maximum load capacity for any storage unit is calculated by multiplying the above stated lbs. for each shelf or drawer that is included with the unit and adding them together (includes the top of the unit and the inside bottom).

Eg: Maximum load capacity for a ZFDDF536 = load capacity for bottom + 3 shelves + unit top
 = 160 lbs. + 100 lbs. x 3 + 160 lbs.
 = 620 lbs. maximum load

Eg: Maximum load capacity for a ZFLATF236 = load capacity for drawer x 2 drawers + unit top
 = 2.6 lbs./linear in. x 36" x 2 + 4.6lbs./linear in. x 36"
 = approx. 352 lbs. maximum load (for actual load capacities for each size Intrinsic Laminate Lateral File contact Trendway Customer Care or visit trenddealer.com).

Note: The addition of more shelves does not increase the maximum amount a unit can be loaded.

WARNING:

Failure to observe the recommended practices, such as loading beyond listed capacities, will result in unsafe usage conditions and may result in bodily injury or failure of other components.

Any modification to Trendway product will change the criteria referenced above. Trendway will not be responsible for product warranty if modifications are made to the product or if the capacities referenced are exceeded.

Laminate Lateral Files and File Center Specifications

Intrinsic Laminate Lateral Files and Lateral File Centers are factory configured for side-to-side filing. If front-to-back filing is desired, the side-to-side filing bars may be removed. No additional parts are necessary to convert drawer to front-to-back filing.

For use with Intrinsic Laminate Lateral Files and File Center

Letter Size Filing

30" - Wide & File Center

1 Pair Intrinsic Laminate Front-to-Back Filing Bars

36" - Wide

Legal Size Filing

30" - Wide & File Center

1 Intrinsic Laminate Front-to-Back Filing Bar

36" - Wide

1 Pair Intrinsic Laminate Front-to-Back Filing Bars

Lateral Files

CAUTION: Any freestanding lateral file, if improperly used or loaded, can tip. Since files may contain significant weight, this tipping can result in serious damage and/or personal injury. For proper and safe performance, read and follow instructions provided with each file.

Do not attempt to open more than one lateral file drawer at a time. Do not use drawers as steps. Failure to follow these instructions may cause tipping of cabinet, resulting in personal injury.

Use counterbalance weights whenever lateral files or pedestals are not anchored or ganged back-to-back. Side-by-side ganging does not improve stability.

To avoid tipping, always load bottom drawers before loading top drawer.

Intrinsic Freestanding Components Planning

These planning guidelines provide instructions for safely configuring Intrinsic Freestanding product applications. The following diagrams illustrate the proper use of supporting elements, connecting hardware, and overhead components.

C-Leg Supports

- In many applications, C-Legs can be used for additional support and stability (Fig. A).

Fig. A

Peninsula P-Top and D-Top Desks

Peninsula P-Top and D-Top Desks are required to be attached to a Return or Bridge. They are not to be used as freestanding desks (Fig. B).

Fig. B

Bridges

When a 48" (1219) Bridge is attached to any desk, a Peninsula C-Leg is required near center of Bridge. When a 36" (914) or wider Bridge is attached to an extended desk on either side, a Peninsula C-Leg is required near the center of the Bridge (Fig.B). Bridges are shipped with all necessary attachment hardware.

Returns

Returns are non-handed and available with a full end panel or a recessed end panel. Returns are shipped with all necessary attachment hardware (Fig. C).

Fig. C

Corner Desk

The Corner Desk is required to have a Return or Bridge on at least one side. It is not a freestanding desk (Fig. D).

Fig. D

Extended Conference Desk

The Extended Conference Desk must be attached to two Returns. The recessed end panel is recommended for increased leg clearance and accessibility (Fig. E).

Fig. E

Hutch Component Planning

All Hutches are attached to work surface with double-sided foam tape. All Hutches require a floor supported element (Pedestal, Lateral, File Center, Double-Door Storage Cabinet, end panel or C-Leg) directly under each Hutch side panel. In addition, the Desk/ Credenza that the hutch is attached to is required to be attached to a Return, Bridge or be situated against a wall.

Intrinsic Freestanding Hutch and Open Hutch Placement Guide

The following illustrations show valid locations for attaching Freestanding Hutches with Doors and Open Hutches to Desk modules.

Extended Peninsula Desks P-Top and D-Top

Hutches with Doors may be placed on Extended Peninsula Desks if accompanied by proper length Return or Bridge with required floor support element (Fig. F).

Fig. F

Corner Desks

Corner Desks accept Freestanding 36" (914) Open Hutch.

Corner Desks accept 72" (1829) Hutch with properly sized Return to allow floor support under Hutch side panel.

Extended Rectangular Desks

Extended Rectangular Desks accept Hutches with Doors and Open Hutches

Rectangular Desks

Grommets

Work surface grommets are standard on all desk units, bridges and returns.

Grommets are available in black only. The following drawings show standard grommet locations.

Rectangular Desks/Credenza

The Rectangular Desk has a Thermofused laminate top with vinyl edging. Standard features include a modesty, end panels, leveling glides and grommets. See grommet information in the planning section for standard grommet locations.

End panels are non-handed and can be field installed on either the left or right side.

Pedestals, File Centers, Center Drawers and other Filing and Storage units are specified separately for maximum flexibility. These units are offered in the

Laminate filing and storage section.

If using a 24" (610)-deep desk as a Credenza, the inside dimensions are 57 $\frac{7}{8}$ " (1464) for a 60" (1524)-wide and 69 $\frac{5}{8}$ " (1768) for a 72" (1829)-wide. Therefore, two 30" (762)-wide storage units will not fit under a ZFRD2460 and two 36" (914)-wide storage units will not fit under a ZFRD2472.

Shipped ready to assemble.

D-Top Peninsula Desks

D-Top Peninsula and Extended D-Top Peninsula Desks have Thermofused laminate D shaped top with vinyl edging. Standard features include a T-base support with adjustable height support column, or a modesty with end panels, leveling glides and grommets. See grommet information in the planning section for standard grommet locations.

D-Top Peninsula Desks are non-handed and Extended D-Top Peninsula Desks are handed.

If T-Base is chosen, then the adjustable support column is black.

Note: A D-Top Peninsula Desk must be connected to other Freestanding units for proper stability.

Pedestals, File Centers, Center Drawers and other Filing and Storage units are specified separately for maximum flexibility. These units are offered in the Laminate filing and storage section.

Shipped ready to assemble.

Returns

Returns are designed to be used as an extension off the front edge of a Freestanding Desk, the sides of a Corner Desk or the side of a Peninsula Desk.

The Return has a rectangular Thermofused laminate top with vinyl edging. Standard features include a modesty, end panel, leveling glides and grommet. See grommet information in the planning section for standard grommet locations. All necessary attachment hardware included.

Returns are non-handed and can be field installed on either the left or right side.

Shipped ready to assemble.

Note: Intrinsic Returns may be ordered with a 14" (356) recessed end panel for applications requiring additional leg clearance.

Bridges

The Bridge is designed to be used as a connection between two desks to create a U-shaped configuration. The Bridge has a rectangular Thermofused laminate top with vinyl edging. Standard features

include a modesty and grommet. See grommet information in the planning section for standard grommet locations. All necessary attachment hardware included.

Shipped ready to assemble.

C-Leg

The Intrinsic C-Leg is required in certain applications as outlined in the planning section. The C-Leg is available in all Standard Smooth trim colors. All necessary attachment hardware included.

Hutches with Doors

The Intrinsic Hutch with Doors is available in 60" (1524) and 72" (1829) widths. Standard features include four equally proportioned non-locking hinged doors, 1" (25)-thick top, full coverage back panel with finished wire management ring at task light level and integrated 1" (25) full length cord management gap at base of the back panel.

Available accessories include full-width paper management slots, tackboards and task lights.

Each optional paper management attachment has five slots. Each slot on the

60" (1524) unit is 11" (279)-wide. Each slot on the 72" (1829) unit is 13³/₈" (340)-wide. The color of the paper management option will always be matched to the unit color.

Note: Unit color refers to side panels, back panel and valance.

Note: Hutch with Doors and Open Hutch attaches to work surface with double-sided foam tape.

Shipped assembled.

Open Hutch

The Open Hutch is available in 30" (762) and 36" (914) widths. The units are for

use above work surfaces, above the 24" (610)-deep 2-high Double Door Storage Cabinet and above the 24" (610)-deep two-drawer lateral. The open hutches have a 3/8" (10) cord pass through gap behind the shelves and a 1" (25) full length cord management gap at base of the back panel. Each unit comes standard with two adjustable shelves and necessary shelf mounting pins. Each shelf is adjustable in 2 1/2" (64) increments.

Available accessories include additional shelves with mounting pins, tackboards and task lights.

Shipped ready to assemble.

Wall Mounted Storage Unit with Doors

The Wall Mounted Storage Unit with Doors is available in 30" (762) and 36" (914) widths. Each unit has two hinged non-locking doors. Attachment for Wall Mounted Storage Unit requires individual cabinet to be secured by a minimum of two wall mounting locations/studs.

The Wall Mounted Storage Unit is designed for installation on interior and perimeter walls that are constructed of wood or metal studs.

Note: It is the responsibility of the dealer or installer to obtain the correct type of fastener for specific, existing wall condition.

Shipped assembled.

Tackboards

Can be mounted under Hutch with Doors or paper management, Open Hutches and Wall Mounted Storage Units.

Tackboard has a tackable panel fabric front and velcro attachment tabs.

Shipped assembled.

INTRINSIC LAMINATE PEDESTALS

When the key-alike lock option "T" is chosen, the Core/Key Set (ZLCK) must be ordered separately or by using the Keying Order Form.

Shipped assembled.

Laminate Modular Pedestals

The Intrinsic Laminate Modular Pedestal is designed to be used beneath the work top.

Intrinsic Laminate Pedestals offer two drawer configurations: 12/12 with two 12" drawers or 6/6/12 with two 6" and

one 12" drawer. 6/6/12 Pedestals include one pencil tray.

The Laminate Modular Pedestal has full extension ball bearing slides on both 6" and 12" drawers and includes lockable drawers and leveling glides.

Available accessories include Laminate Modular Freestanding Pedestal Conversion Kit, Side-to-Side Filing Bars and additional Pencil Trays.

Note: To use the Modular pedestal other than under a work surface, order a Laminate Modular Pedestal Conversion Kit.

Laminate ¾ Mobile Pedestal

The Intrinsic Laminate Mobile ¾ Pedestal is designed with a full skirt that conceals the pedestal's casters. The ¾ Pedestal has full extension ball bearing slides on both 6" and 12" drawers and includes lockable drawers, four casters and counterbalance weight (for units with pre-installed counterbalance weights).

Available accessories include Side-to-Side Filing bars, Cushion Top and Counterbalance weight (for units without pre-installed counterbalance weights).

Laminate Two-Drawer Lateral Files

The Intrinsic Laminate Two-Drawer Lateral Files include full extension ball bearing slides, an interlock mechanism that allows only one drawer to open at a time, side-to-side filing bars, front-to-back filing bars and leveling glides. Drawers accommodate side-to-side letter, A4, legal and EDP filing.

The 18" (457)-deep lateral files are intended for use under work surfaces and may not be used in freestanding applications. The 24" (610)-deep, full-depth lateral is a freestanding element.

Shipped assembled.

Laminate Combination Lateral File Center

The Laminate Combination Lateral File Center combines the functionality of a pedestal and the lateral file into a single cabinet that fits below a work surface. The lateral file center has a handed drawer configuration as shown below.

The laminate file center includes full extension ball bearing slides, side-to-side filing bars and front-to-back filing bars in the lateral drawer, one pencil tray and leveling glides.

The laminate file center is intended for use under a work surface and may not be used in freestanding applications.

One lock secures the 12" file drawer and lateral drawer. The 6" box drawers are non-locking.

Shipped assembled.

When the key-alike lock option "T" is chosen a "disposable" core is assembled in the filing unit to temporarily secure the drawers and doors for transit. The "disposable" core must be field replaced with an Intrinsic Core/Key set in order for the Intrinsic filing unit to lock. The Core/Key set (ZLCK) must be ordered separately or by using the keying order form.

Laminate Double-Door Storage Cabinets

The Laminate Double-Door Storage cabinet is available in two depths (18" and 24") and two heights, two- and five-high.

Features include hinged locking double-doors with one adjustable shelf in the two-high unit and three adjustable shelves in the five-high unit. Shelves adjust vertically in 2½" increments. Units also includes leveling glides.

Available accessories include additional Double-Door Storage Shelves and wardrobe bars.

Note: The 18" (457)-deep Double-Door Storage Cabinet is intended for use under the work surface and may not be used in freestanding applications. The 24" (610)-deep Double-Door Storage Cabinet is a freestanding element.

Shipped assembled.

Laminate Wardrobe Storage Cabinet

The Laminate Wardrobe Storage cabinet is available as a five-high unit. Features include hinged locking double-doors, one shelf, a full-width wardrobe bar and leveling glides.

Available accessories include Double-Door Storage shelves.

Shipped ready to assemble.

When the key-alike lock option "T" is chosen a "disposable" core is assembled in the filing unit to temporarily secure the drawers and doors for transit. The "disposable" core must be field replaced with an Intrinsic Core/Key set in order for the Intrinsic filing unit to lock. The Core/Key set (ZLCK) must be ordered separately or by using the keying order form. Check Customer Care for availability.

Intrinsic Terms, Policies & Index

Pricing, Procedures & Policies 90

Index 94

1. Prices

Prices shown in this price list are F.O.B. origin, freight prepaid, in the contiguous United States. Trendway Corporation reserves the right to change prices without notice. Trendway may implement price changes effective at time of shipment if shipping date is more than 120 days from date written order was received by Trendway.

Pricing for shipments outside the contiguous United States will be based on the port of departure. Freight will be prepaid to port of departure.

List prices shown include Trendway specified freight cost on all orders.

2. Order Placement

Trendway Corporation requires all orders to be submitted electronically via on-line order entry at www.trenddealer.com, or in writing following Ordering Procedures on page 1. Trendway recommends using design software for larger projects which allows the dealer to design, specify, and enter an order more efficiently and accurately which will assure completeness and avoid errors and duplications. The Buyer assumes all responsibility for the correct content of any order which has been acknowledged.

*Note: Small order handling fee - orders under \$1,000 list price that are not entered on-line will have a \$25 handling fee applied.

3. Confirmation

Upon receiving an order, Trendway Corporation will send an acknowledgement with exact pricing information and scheduled shipping date. Orders can also be confirmed on-line at www.trenddealer.com. Customer is responsible for checking acknowledgements to ensure that the order is correct. Order will be processed as acknowledged.

4. Lead-Times

Trendway Corporation reserves the right to alter lead times as demand for products fluctuate. Stated lead-times begin after an order is entered and scheduled. Shipments are subject to product availability. Special products and larger orders may extend lead-times. Please contact your customer care representative for exact lead-times.

5. Buyer's Credit

If, in the judgment of Trendway, the financial condition of the Buyer at any time does not justify the terms specified, Trendway may at any time by notice to the Buyer require prepayment or other terms of payment differing from those specified in Section 8 or other satisfactory security to insure prompt payment of invoices.

6. Order Changes

To change an order, the customer must call Trendway Customer Care for order status. If approved, the customer must confirm the changes in writing to Trendway Corporation. Customer agrees to accept any and all charges involved in altering an order. This includes payment, determined by Trendway, for product already in production. Changes in orders also may result in delayed shipments.

7. Cancellation

All cancellations must be approved by Trendway Corporation. **Orders in production cannot be cancelled without incurring substantial or full purchase price.** Customers shall agree to accept any and all charges involved in the cancellation transaction, as determined by Trendway. Non-standard items may not be cancelled.

8. Terms of Sale

Terms of sale on all invoices to approved Trendway customers are Net 30 days from date of invoice. These terms may be changed at any time by Trendway Corporation based on credit rating information available on specific customers. Payment in advance may be requested at the discretion of Trendway without explanation.

9. Taxes

Prices listed do not include any federal, state, local, or other taxes. Purchaser agrees to pay or reimburse any such taxes that Trendway Corporation, Trendway Corporation subcontractors, or suppliers are required to pay. For shipments to CA, DC, FL, IL, IN, KS, MI, MN, NJ, NY, OH, PA, and Canada, add appropriate tax rate. All authorized dealers should ensure that a resale exemption certificate is on file with Trendway Corporation.

10. Past-Due Accounts

Past-due accounts will be charged 1.5% per month. This is an annual rate of 18% or the highest legal rate on the unpaid balance. The purchaser agrees to pay all collection agency fees, court costs, and/or reasonable attorney fees incurred by Trendway in the collection of past-due balances.

11. Customer's Own Material (COM)

The Trendway COM program allows customers to use special materials. By complying with the COM testing for manufacturability procedure in the steps below, Trendway will be able to identify if your material is appropriate for application to the products you specify.

To comply with the COM process, please follow these steps:

1. Select the COM material.

2. Check first with www.trenddealer.com/COM Library, to determine if this material has already passed testing for manufacturability on the intended product.
3. If the material is pre-approved in the COM Library, customer must submit a *COM Guideline Form* (available on www.trenddealer.com or from Trendway Customer Care Representative).
4. If the material requested is not in the COM Library, customer must submit a *COM Request Form* on-line at www.trenddealer.com, send a sample of the COM material (see Test Yardage Requirements below), and include a list of Trendway product numbers designated for the COM application. Material sample should include pattern name, pattern number and color, manufacturer, direction material should be applied, and Control number from the COM Request Form response.
5. Ship COM samples to:
 - U.S. Mail Shipment:
Customer Care
Trendway Corporation
P.O. Box 9016
Holland, MI 49422-9016
 - UPS, FedEx Shipment:
Customer Care
Trendway Corporation
13467 Quincy Street
Holland, MI 49424
6. You will be notified within five working days by Trendway, whether your COM has been approved or disapproved for application.

TEST YARDAGE REQUIREMENTS

Choices panels	1½ yd.
Flipper doors	¾ yd.
Contrada tiles	1 yd.

NOTE: Most fabric houses have a yardage minimum or an upcharge on less than one-yard cuts.

NOTE: All COM applications are priced at Grade 1 or Grade A.

If Buyer desires to use his own material in the production of Trendway's products, it is necessary to obtain the prior written consent of Trendway. Material provided by the Buyer shall be shipped to seller, freight prepaid, and all risk of loss or damage shall remain with Buyer. Buyer must assume responsibility for any spoilage that takes place in the course of processing or during transportation. Buyer hereby holds Trendway harmless against any and all claims for loss, liability, injury, or damage arising from

use of customer material; and Buyer takes full responsibility for performance and quality of customer material. Buyer should also be aware that Buyer-furnished materials may not qualify for UL Listing or meet fire codes.

11a. Custom Color

Trendway's Custom Color program allows the customer to specify their own color or stain on many of Trendway's products. See www.trenddealer.com for product availability, individual product guidelines and lead times. Set up fees and lead times are product specific and will vary.

To request a Custom Color or Stain:

- Complete a Custom Color Request form (available on www.trenddealer.com).
- Send request form along with two 2"x3" samples to Trendway Customer Care Color Coordinator.
- After the receipt of the request, Trendway will provide customer with one color sample.
- If approved, Dealer or customer completes custom color form, providing the custom match color number on the back of the sample, signs, and returns by fax or mail to Custom Color Coordinator.
- Samples will be matched under cool white florescent lighting. All orders processed under the Custom Color program will be manufactured within commercially acceptable tolerances.
- Customer Color program is not available within Xpress lead-time.
- If applicable, dealer will be sent an invoice for \$200 color matching fee per customer, per color. See Custom Color Request form for details.

12. Special Product

When Trendway purchases special surface materials (i.e., fabrics and laminates) at the request of the customer, the customer takes full responsibility for the performance and quality of the surface material.

13. Delays

Trendway shall not be liable for loss or damage due to delay in manufacturing or delivery resulting from any cause beyond Trendway's reasonable control, including, but not limited to, compliance with any regulations, orders, or instructions of any Federal, State, or Municipal Government, or any department or agency thereof, acts of God, acts or omissions of Buyer, acts of civil or military authority, fires, strikes,

factory shutdowns or alterations, embargoes, war, riot, delays in transportation or inability due to causes beyond Trendway's reasonable control to obtain necessary labor, manufacturing facilities, or material from Trendway's usual sources. In no event shall Trendway be liable for special or consequential damages for any delay for any cause.

14. Postponement of Delivery

If unforeseen circumstances occur, Trendway Corporation may postpone delivery of ordered products. Customer will be notified when such postponement occurs.

15. Storage

When shipment is delayed by the Buyer, Trendway reserves the right to place the goods in storage at customer's risk and cost. Trendway charges ¼ of 1% of list price per week to cover storage. All terms and conditions of the sale, including but not limited to invoicing and payment, will continue as Buyer-specified destination; except that title remains with Trendway and that Trendway reserves the right to modify payment terms to assure recovery of any additional cost incurred.

16. Transportation

All orders shipped to any destination, within the contiguous United States, will be F.O.B. origin, freight prepaid, and risk of loss or damage shall pass to Buyer upon delivery to carrier. Trendway will determine the method and agency of transportation to be used.

Exceptions to standard prepaid freight are as follows:

- Customer directed expedites (Air Freight, Team Hauls) will be prepaid by Trendway and Customer will be billed the difference between standard and expedited freight.
- Truckload deliveries that are requested to deliver on weekends, Holidays or after 3:00 pm on Friday's will have an additional charge of \$450 per truck.
- Excessive unloading (in excess of 4 hours) will be billed at \$50 per hour after the initial 4 hour unloading period.
- Normal LTL shipments deliver between 8:00 am and 5:00 pm, specific delivery time will have an additional charge of \$150 (specific delivery time on truckload shipments does not apply).
- Lift gate service will have an additional charge of \$85.
- Inside delivery will be billed at \$50 per hour.
- Reconsignment after shipment will have an additional charge of \$50.

- Special equipment requirements call for a quote.

In the event that special F.O.B. Destination terms are agreed to by Trendway or delivery is made on Trendway-owned or -leased equipment, customer or authorized representative is responsible for noting any freight damage or shortage on the freight bill of lading at time of delivery and must notify Trendway within five (5) days of delivery day of any such damage or shortage. Assistance in a concealed damage claim on an F.O.B. Destination shipment will be provided by Trendway only if the product has been immediately unpacked and both the carrier and Trendway have been promptly notified of resultant damage so the proper inspection can be made.

Shipping Note:

Trendway strives to minimize packaging to help the environment and to make installations faster and cleaner.

Trendway ships products in using various packaging methods based upon the product type and shipping method (full truck vs. LTL), all of which are designed to provide protection for the product while minimizing packaging materials.

Trendway test packaging designs to ensure their effectiveness.

17. Product Ownership

Title and risk of loss to all goods sold shall pass to Buyer upon Trendway's delivery to Buyer or to a carrier at shipping point. Trendway, however, retains the Purchase Money Security Interest in all goods shipped and the right to perfect same.

18. Damaged Materials

Trendway Corporation is not responsible for shipped products when the common carrier is in receipt of the material. Trendway expects all customers to thoroughly inspect orders on receipt regardless of point of delivery. Clear receipt should not be given on the material until it has been checked for damage in transit. All claims for noted damaged material must be made by the customer to Trendway Customer Care.

Concealed damage or damage not noted at time of delivery shall be made by the customer to the common carrier within 15 days after receipt. Trendway assumes no liability for such damage.

19. Shortage on Order

Shortage on ordered products must be reported to Trendway Corporation within five (5) days of product delivery and must be noted on bill of lading at time of delivery.

20. Product Usage and Compliance

Buyer assumes full responsibility for the application of Trendway's product to Buyer's use, and compliance with Trendway installation and maintenance instructions and reasonable load restrictions. Compliance to local code restrictions regarding fire, electrical, and building codes are the responsibility of the customer or his authorized agent.

21. Post-Delivery Assistance

Installation and servicing of Trendway products are normally handled directly by Trendway-authorized dealers. When this is not possible, assistance is available by calling Trendway's Customer Care Department, Holland, Michigan.

22. Returned Goods

As a basic policy, Trendway does not accept returned material, because most items are manufactured per order and are not in stock at the factory. If material is authorized for return because of Trendway error, shipment may be made freight collect. Any other goods for which Trendway does authorize a return will be sent prepaid and a restocking charge of 35% will apply. **To receive authorization to return goods, please contact Trendway's Customer Care Department.**

All Returned Materials Authorizations expire thirty (30) days from date of issue. Any product returned after 30 days will be refused and returned to sender collect.

Electrical components, nonstandard items, Xpress® products, and fabric-covered goods may not be returned. Replacement products will be billed to you with credit being issued upon return of the product in good condition. All goods returned must be in the original Trendway packing cartons. Goods will be inspected for damage upon return. No credit will be issued for goods which are damaged. **As a general statement of policy, return authorization will not be issued for items unless they are Trendway stock items.**

23. Intrinsic Key-Alike Option

The Intrinsic Key-Alike option is available on all Intrinsic filing units for no additional upcharge. When the Key-Alike option is chosen, the list price of the purchased Intrinsic filing unit is reduced by the same amount that is charged when ordering the Intrinsic Core/Key Set (ZLCK) needed for that unit.

The unit is assembled with a "disposable" core in place of the lock core to temporarily secure the drawers/doors for transit. In order for Key-Alike Intrinsic units to lock, the "disposable" core must be field replaced with an Intrinsic Core/Key Set (ZLCK) which is ordered separately.

Intrinsic Core/Key Set orders should be placed with the Intrinsic filing order to ensure being installed at the time of product installation. The Core/Key Set (ZLCK) can be ordered separately or by using the key-alike order form which can also be used as a worksheet to help combine and tag Core/Key Sets.

24. Special Marking or Tagging

Special tagging is available on all orders free of charge. Trendway suggests this option to simplify the staging and installation of product. **Tag designations must be specified at the time an order is placed.**

Limited Lifetime Warranty

Trendway Corporation warrants to the original purchaser that the products described in its price lists, sold after August 1, 2004 will be free from defects in materials and workmanship commencing with the date of initial purchase and continuing for as long as the original owner uses these products. This warranty provides limits on the following products:

	Systems	TrendWall	Seating
10 Year	Electrical Components		
5 Year	Drawer Slides Systems Textiles Finishes Electronic Ballasts	Systems Textiles Finishes	Multi-Purpose Seating Seating (Guest Side, Stacking Chairs)
3 Year	Veneer Magnetic Ballasts		Trim Arm Pads Fabric Foam
2 Year	Surface Trends	Surface Trends	
1 Year	Non Standard Product Personal Task Lighting	Non Standard Product	Non Standard Product
Not Covered	Light Bulbs Customer's Own Material	Customer's Own Material	Customer's Own Material

The following exceptions apply to all product lines:

- The Trendway warranty applies to normal three shift office use with exception of seating which is a single shift and a maximum weight limit of 250 lbs.
- Damage caused by improper treatment of the product including exposure to unusual environmental conditions (extreme climates, acids, and moisture)

This comprehensive warranty applies to all products installed by a Trendway authorized installer. Trendway will repair, or at its option, replace defective merchandise, free of charge, which, when used normally and pursuant to Trendway's published instructions, and applicable planning guide information, prove to be defective within the period stated. This remedy is expressly agreed to be exclusive as a condition of sale. No person is authorized to assume for Trendway any warranty liability, except as expressly set forth in this paragraph, or set forth in writing by an authorized officer of the company at its headquarters in Holland, Michigan.

Any and all labor charge backs must be pre-approved by Trendway's Customer Care Manager in writing.

This warranty does not apply to damage resulting from accident, alteration, transport, or misuse, as well as damage from normal wear and tear such as dents, nicks, scratches, fading and improper maintenance. Trendway employs quality measures to ensure color consistency in our products. However, due to the effects of light and other environmental factors, no guarantee can be made for an exact match to product in an existing installation.

Natural variations occurring in materials such as wood and leather are not considered defects, and Trendway does not warrant the matching of colors, grains, textures or colorfastness of these materials.

Trendway provides a three-year warranty on veneer products for quality and craftsmanship. Due to the natural properties of wood, the following are not covered under this warranty:

- Changes in wood color resulting from exposure to light or aging
- Natural color variation between wood veneer and solid wood pieces
- Natural color variation resulting from veneer lay-up
- Natural variation in wood grain or the presence of character marks
- Normal wear and tear
- Exact matching to swatch cards

Trendway makes no warranty to purchasers who acquire products for personal, family, or household purposes, or to purchasers acquiring the product other than directly from Trendway Corporation, its authorized dealers, or others who are specifically authorized by Trendway to sell such products. Trendway's liability with respect to its products shall not exceed that expressly set forth above irrespective of the theory upon which a claim might be based, including negligence. Under no circumstances shall Trendway be liable for incidental or consequential damages. Original product label must be attached to the product in question.

The warranty period is not interrupted or prolonged by the performance of a service under the terms of the warranty. There are no other warranties except as expressly set forth above, either express or implied, including any warranty of design, merchantability or fitness for any purpose.

This warranty supersedes all previously printed Trendway warranties.
